**The primary goal of Seeds of Compassion** is to reach and involve as many communities as possible in The Compassion Movement. The April 11-15 ticketed event will be free and accessible to children, educators, parents and caregivers who might not otherwise afford admission. Many generous supporters will be required to accomplish this goal. To supplement the existing donations from individuals, businesses and educational foundations, we are seeking financial and in-kind sponsors, hundreds of volunteers and visible partners who will help share the messages of *Seeds of Compassion* to transform as many lives as possible.
